कार्यकारी सारांश Executive Summery

The Local Governance and Community Development Programme (LGCDP) is a national programmed which is being implemented by The Ministry of Federal Affairs and Local Development (Modal) and supporting by a range of development partners.

The overall objective of LGCDP-II is to contribute towards the national goal of poverty reduction. The programme focuses on effective, equitable and sustainable service delivery through community empowerment, capacity development and policy reform to improve local governance.

People of Lahan needs for sustainable livelihood and improved well-being are such that they require better access to information, markets and opportunities; they need better access to health, education, and other goods and services. Regarding to this, LGCDP II has been worked to create a local level enabling environment that provides opportunities for the meaningful participation of all citizens of Lahan, especially, women, children, DAGs and disabled persons, as well as persons living in remote areas, in local decision making processes.

This year, the Lahan Municipality with support from LGCDP, delivered training on bottom-up planning processes to over 60 local stakeholders from 22 Wards, including members of Ward, Ward Citizen Forums (WCFs), Community Awareness Centers and local level political party representatives. This resulted in increased participation of local communities in planning. After the training, it was recorded that more than 85 percent of Wards held council meetings on time.

LGCDP aims to strengthen both the demand and supply side of local governance. The purpose of the programme is to improve the delivery of public goods and services at the local level. LGCDP II has been effecting in Lahan Municipality since September, 2014. The agreement has been signed with two LSPs on May, 2015. The most significant achievement of the programme is, 80 percent Wards of Municipality able to follow planning on timeline. Similarly, 51 percent of local capital budgets captured by CAC as well as WCF members. 60 stakeholders from 22 wards trained on bottom-up planning processes. 2400 people benefited from 46 Community Infrastructure Grant (CIG), constructed to operate CAC members in 17 Wards.

Lahan has great potential for development and job creation through the rural enterprises that make sustainable use of local resources. However, lack of awareness, education and skills to utilize existing resources continues to continue underemployment and underdevelopment. Further compounding this issue is a growing youth population, struggling to find jobs at home. As a results, nearly 8-10 youth per day migrate abroad in search of gainful employment especially in middle-east.

To help address challenges and hit opportunities, LGCDPs' has been supporting to the Lahan Municipality to create employment among CAC members through CIG projects whereas 17 community projects have been running and 15 CACs have implemented Livelihood Improvements Plans in this fiscal year to start income generation and also empowering them to make able to cop local resources and opportunities through capacity development related trainings.

This 2015 Annual Narrative Report provides a picture of the results achieved by LGCDP in Lahan and its partners and selected success stories demonstrating the impact of its interventions on improving the lives of local people of Lahan.

परिचय Introduction:

Lahan is a town and Municipality in Siraha District in the Sagarmatha Zone of south-eastern Nepal connected with Mahendra Highway. It is located nearly 350 kilometers or 99.3 miles east of the capital, Kathmandu. Lahan is located at the latitude of 26.717 and longitude of 86.483. It is at an elevation of 111 meters above sea level. The Indian border is situated 162 kilometers from the east-west highway. The population has increased gradually due to urbanization over a period of 20 years. Frequently used language of Lahan is Maithali.

In Dec, 2014, The Government of Nepal has declared that the expansion of 22 wards from 10 wards into Lahan Municipality whereas the total coverage area reached 147.56 sq. km. with 79689 population from 18.35 sq.km. and 33653 population, which is recently one of the most challenge of Municipality in terms of mobilizing available resources and services equally in all wards.

It is important that the limited funds available for development be put to the best use possible. In this regard, LGCDP II has been strived to ensure expenditure efficiencies in Lahan. It has been continually to contribute to improving transparency at all sections of Lahan Municipality. By considering this matter, Lahan Municipality has been following a zero-tolerance policy on the misuse or abuse of entrusted powers by office holders.

Two LSPs have hired in Lahan in this year in order to effectively implementation of Social Mobilization Programme. Municipality level MSMC, CFLGP committee and EFLGP committee also formed to strengthen the social mobilization institution.

LGCDP II remain committed to supporting efforts to ensure that the benefits of growth reach the poorest and most marginalized people of Lahan Municipality. The programme has promoted inclusive and participatory development and build government partnerships with CSOs and NGOs for citizens' empowerment.

Output wise प्रगती विवरण

Output 1: Citizens and Community organizations are empowered to actively participate and assert their rights in local governance

सि.नं.	मुख्य क्रियाकलाप/सूचक (pls. refer attached AMEP)	आ.व. २०७१/७२ मुख्य लक्ष्य (pls. refer attached AMEP)	प्रगति (आषाढ मसान्त २०७२ सम्ममा)
1	Delivered training on bottom-up planning processes	All Wards will be held council meetings on time	More than 85 percent of Wards held council meetings on time
2	Established Ward level bal sanjal/ network through bal bhela	At least 50 percent Ward level Bal Sanjal/Network will be formed	6 Wards able to form ward level Bal Sanjal/Network through Bal Bhela
3	CAC's members involved in Livelihood Improvement Programme (LIP)	22 CACs will be received LIP support	15 CACs have implemented Livelihood Improvements Plans to start income generation

The main aim of the EFLGP is to combat climate change through climate change adaptation strategy like environmental friendly governance. The total budget of EFLGP for Lahan Municipality was Rs. 1, 30, 00,242 whereas 90% budget has been spent as per plan. Sanitation and hygiene, Open Defecation Free (ODF), plantation, pond conservation, solar street light, public park maintenance are the major activities of this project. The development of climate change adaptation in grassroots level is also the major purpose of EFLGPP. The significant achievement of the programme is, the three Wards of Municipality (Padariya 11, 12 and Bramangolcharri 20) have declared ODF during this fiscal year. Plantation of the both side of the main roads including Mahendra highway has completed with approximately 3000 plants of Dhupi. The area has covered with plantation around 10 km of the main highway of Lahan.

People are participating on Sanitation Awareness Campaign

EO of Lahan Participating on ODF Declaration Programme at Ward-20 (Brahamangolchari)

Output 7: Strengthened integrated planning, budgeting, monitoring and evaluation and coordination amongst local governance actors

सि.नं.	मुख्य क्रियाकलाप/सूचक (pls. refer attached AMEP)	आ.व. २०७१/७२ मुख्य लक्ष्य (pls. refer attached AMEP)	प्रगति (आषाढ मसान्त २०७२ सम्ममा)
1	Municipality has adopted CFLG, EFLG, gender responsive budgeting and gender auditing	Municipality will be incorporated cross cutting issues	Municipality periodic and annual plans have been incorporated cross cutting issues i.e. CFLG, EFLG, GESI
2	Coordination meeting conducted between Municipality and service providers	At least annual planning & budgeting process will be integrated	Joint annual plans of LSPs and line agencies have been implemented
3	Capital fund are allocated and spent to target groups as per guidelines	Municipality will spent around 90% budget through applied the IPFC guidelines	83% block grant has been spent on targeted groups by following the provision of local committees as per LBs' Resource Mobilization

			guidelines
--	--	--	------------

- Lahan Municipality has applied the IPFC guidelines and also following the provision of local committees as per LBs' Resource Mobilization guidelines that supported to spend 83.38% block grant on targeted groups on time using the web based reporting system. The detail spent of budget by the end of this F/Y for targeted groups are given below;

F/Y:

2071/072

Targeted Groups	Estimated Budget	Spent Budget	Spent Percent
For Women Targeted Groups	25,47,300	20,47,000	
For Child Targeted Groups	25,79,800	18,90,500	
For DAG Targeted Groups	43,31,700	39,49,455	
Total:	94,58,800	78,86,955	83.38%

Problems and issues (Output 1-7) : Max 3-5 in each output

Output 1: Problems/Issues faced during program implementation and way-forward

SN	Problem/Issues	Initiation taken from LB level	Way forward
1	Inactive Monitoring & Evaluation committee	Reformed M & E Committee to make more active	M & E committee should visit each projects implemented by Municipality
2	Harmonization meeting with line agencies could not conduct by LB	Decision has made to conduct harmonization meeting	At least twice of meetings have to conduct annually
3	Irregular of MSMC meeting	Informed to all MSMC members about their roles and responsibilities	MSMC meeting should organize in quarter basis regularly

Output 2: Problems/Issues faced during program implementation and way-forward

SN	Problem/Issues	Initiation taken from LB level	Way forward
1	Vacant of ICT Volunteer Post at Lahan from 6 months	Informed to RCU and Center Office as well	ICT Volunteer should hire as quick as possible to update WBRS and Website of Municipality
2	Poor coordination between Municipality and CSOs	Interactive meeting conducted with related CSOs	Compliance monitoring should promoted by LB

Output 3: Problems/Issues faced during program implementation and way-forward

SN	Problem/Issues	Initiation taken from LB level	Way forward
1	User committee not form on time at Ward level projects	Review meeting conducted with staffs	Developed a plan for further improvements

Output 4: Problems/Issues faced during program implementation and way-forward

SN	Problem/Issues	Initiation taken from LB level	Way forward
1	Not strengthening procurement planning and bidding system	Municipality board has approved annual procurement plan	E-bidding system must be initiated by Municipality
2	Not timing of advance clearance from UC and staffs as well	Seriously concerned by Municipality to all staffs as well as UC	Name should be published of the staffs or UC members who have not clearance of advance for a long time in Municipality

Output 5: Problems/Issues faced during program implementation and way-forward

SN	Problem/Issues	Initiation taken from LB level	Way forward
1	Irregular operating of New Ward Office	Reviewed meeting conducted by Municipality among ward secretaries	CD training need to be organized for new ward secretaries
2	Lack of community need based training	CD related training proposed by Municipality	Community need based assessment should be done

Output 6: Problems/Issues faced during program implementation and way-forward

SN	Problem/Issues	Initiation taken from LB level	Way forward
----	----------------	--------------------------------	-------------

1	Lagat of social security not update and systematized	Computerized of Lagat of Social Security by the support of SM	Modernization of the registration system by software should be done
2	Not coverage of vital event registrations	Developed plan in order to conduct vital event campaign at ward level	Vital event related campaign should organized massively at local level
3	Providing low quality of work due to not upgrading of technical standards	Discussed about this matter with technical staffs	A separate technical division must be established for providing effective technical services

Output 7: Problems/Issues faced during program implementation and way-forward

SN	Problem/Issues	Initiation taken from LB level	Way forward
1	Not well functioning of CFLG committee, and EFLG committee	Meeting has called to make more effective of committees' members	Review meeting should be conducted quarterly
2	Still gender based violence (GBV) desk has not established to address GESI related issues	No any initiative taken from Municipality	Gender responsive budget should adopted as per guidelines

Success Stories

“नागरिकताको प्रमाण—पत्रले पुनीतदेवीको जीवनमा परिवर्तन ल्यायो”

महिला को जीवनमा आधारित यो सत्य तथ्य घटना हो । सप्तरी को वरमभीया गा.बी.स. वार्ड नं. २ माईती भई हाल ल.न.पा.को वार्ड ७ मा विवाह भई आएको एकजना महीला जसको नाम पुनीता देवी रौनियार हो । पुनीता देवी को श्रीमान सुरेश कु. रौनियारले कुनै काम काज नगर्ने र उ रक्सी खाई हरहमेसा माती राख्ने गर्दथे । गरीबी धेरै नै भएको कारण जीवन धान्न पुनीता देवी लाई धेरै नै कठनाई भएको थियो ।

नीज पुनीता देवी को पाँच जना छोरी हरु छन् । जसको उमेर क्रमशः १४ वर्ष, ११ वर्ष, ७ वर्ष , ५ वर्ष र १ वर्ष रहेको छ । आफ्नो छोरीहरु लाई पालन पोषण गर्नलाई उनले सानो व्यापार, व्यवसाय गर्न थालीन् । विभिन्न गाउँ घरमा गई तिनी महिलाले प्रयोग गर्ने श्रृंगारका सरसामान जस्तै चुडा पोते, टिका आदि जस्ता समान बिक्री वितरण गर्न थालीन । उनी उक्त व्यापार व्यवसाय मा केही रकम वचत गरथिईन त्यो वचत गरेको रकम उनका श्रीमान ले भुगडा गरि हाथ पारेर रक्सी मा खर्च गर्दथिन् र उसको सब भन्दा दुःखको कुरा उसको ना.प्र. थिएन जसले गर्दा उनले बैंक मा कतै खाता खोल्न सक्दैन थिइन । संघ सस्थाहरु बाट पनि उनलाई कुनै प्रकारको सहयोग र ऋण उपलब्ध भएको थिएन । उनी कुनै समुहमा पनि

सम्मानका साथ बस्न सक्दैन थिईन । समय वित्तै जाँदा उनको श्रीमान को मानसीक अवस्था पनि विग्रीदै गयो र हाल नीज पुनिता देवी का पति पागल पन को सिकार हुन गयो । आफनो श्रीमती को नागरिकता पनी बाहाले बनाउन भएन पुनीता देवी ले आफनो श्रीमान लाई मेरो नागरिकता बनाई दिनुस भन्दा उनले नटेरको जस्तो गरे । एक दिन पुनीता देवी ले मलाई बोलाइन र आफनो समस्या हरु बारे भनीन की दिदि तपाईं हाम्रो वार्ड को समाजिक परिचालक हुनहुन्छ । मलाई मेरो नागरिकता बनाउनमा सहयोग गरिदिनुस् । मैले उनलाई नगरपालिका लगे हाम्रो वार्ड का सचिव सँग भेट गराए र सचिव श्री राम कृष्ण महतो ज्यु ले मलाई बाटो देखाउनु भयो त्यस पछि मैले आफनो वार्डमा भलाद्मी मान्छेलाई बोलाए र सबैको सामुने यो कुरा राखे । त्यस पछि वडा नागरिक मञ्चका संयोजकको समेत सहयोगमा नीज पुनीतदेवीलाई नेपाली वशंज को नाता ले नागरिकता प्रमाण पत्र २००५/१४८८३ जारी मिति २०७०/११/११ मा इलाका प्रशासन कार्यालय लहानका अधिकृत श्री राजु प्रसाद साह ज्युले उनलाई नागरिकता प्रमाण पत्र दिनुभयो । यसरी उहाँले नेपाली नागरिकता प्रमाण पत्र प्राप्त गरिन । जसको लागी मलाई उनको माईती वरमभीया गा.बि.स. का सचिव ज्यु समेत संग भेटनु परयो र सचिव ज्यु ले पनि धेरै सहयोग गर्नुभयो ।

वरमभीया गा.बि.स.का सचिव ज्युले वहाको जन्म बसोबास प्रमाणित गर्नुभयो । सो जन्म बसोबास का लागी म र पुनीता देवी रौनियार उनको माइती घर समेत पुग्नुप्यो । आज मेरो वार्डकी महिला पुनिता देवी रौनियारले संघ संस्था बाट ऋण लिइ आफनो चुरा टिकाको व्यापार कारोबार गरि दैनिक रु २,००० देखि ३,००० को कारोबार गरिरहेकी छिन् । अहिले उनी आफ्नो जीन्दगी राम्रो सँग गुजारा गरिरहेकी छिन्, छोरीहरु पनि सबै विद्यालय जान्छन् र उनी निकै खुसी पनि छिन् र उनलाई समाजमा सबैले माया पनि गर्दछन् । मलाई र मेरो वार्ड न.७ को नागरिक सचेतना केन्द्रको मिति २०७०/१२/०१ को बैठकमा उनी पुनिता देवी रौनियार आफै उपस्थित भई सबैलाई मुरी मुरी धन्यावाद दिईन । उनको जीवनमा आएको परिवर्तन देखेर म लगायत सबैलाई धेरै नै खुशी लागेको छ । LGCDP तथ ल.न.पा.को माध्यम बाट म ल.न.पा वडा नं. ७ मा सा.प. भई समाजको सेवा तथा गरीब असाहायहरुको सेवा गर्ने मौका पाएकी हुदाँ म आफुलाई धेरै नै भाग्यशाली ठान्दछु ।

फेरी उही कुरा, बैद्यले प्रचण्डसंग एकता वार्ता

कहिले एकीकरण त कहिले सहकार्य-गर्दै मोहन बैद्य नेतृत्वको नेकपा माओवादी कमजोर हुँदै गएको छ। फेरी एमाओवादीसंग पार्टी एकता प्रयास सुरु गर्ने भएको छ।

बैद्य माओवादीको स्थायी समितिको बैठकले पार्टी अध्यक्ष मोहन बैद्य किरणको नेतृत्वमा पदाधिकारीहरूको वार्ता टोलीलाई निरन्तरता दिने निर्णय समेत गरेको हो।

एमाओवादी र बैद्य माओवादीबीच पार्टी एकताका लागि पटक पटक अनौपचारिक वार्ता भएको थियो। तर, पछिल्लो समय वार्ता

रोकिएको थियो। बैद्य माओवादीले एकताका लागि पठाएको छत्रुदे अस्तावमा प्रचण्डले नयाँ जनवादी कान्तिसम्बन्धी प्रस्तावबाहेक अन्य पाँच बुँदामा सहमत हुन सकिने बताएको छ। जसका कारण एकता वार्ता रोकिएको छ।

बैद्य माओवादीले सच्चा कान्तिकारी माओवादी कम्युनिस्टहरूको एकता ऐतिहासिक आवश्यकता भएको भन्दै फेरि एकता प्रयास सुरु गर्ने निर्णय गरेको हो।

छ बुँदामा गम्भीर छलफल नै नभएको बैद्य माओवादीका महासचिव रामबहादुर थापा बादलले जारी गरेको विज्ञप्तिमा उल्लेख छ।

दूई घण्टाको उपहार, लहानक्षेत्रमा यथावतै

लहान, २९ फागुन। सोमवारदेखि विद्युत प्राधिकरणले दैनिक लोडसेडिङ २ घण्टा घटाउने भएको छ। अब दिनको ९ घण्टामात्र लोडसेडिङ हुने छ। लहानदेखि पश्चिम र लमहीदेखि पूर्वको मध्य क्षेत्रमा प्राधिकरणले लोडसेडिङ घटाएर दैनिक ९ घण्टामा भर्ने भएको छ।

चुहावट नियन्त्रणबाट बच्ने र कुलखानीलाई पीक आवरमा अलि बढी समय बढाएर लोडसेडिङ घटाउन लागेका हौं, प्राधिकरणका कार्यकारी निर्देशक मुकेशराज काफ्लेले भने, ४० देखि ५० मेगावाट विजुली भए दैनिक २ घण्टा

लोडसेडिङ घट्छ। उनले लोडसेडिङ घटाउन नदीको बहावको कुनै योगदान नभएको बताए। 'नदीको बहाव बढेको छैन, बरु घटिरहेको छ।

खासगरी आइर्न गेट भनेर चिनिने एसएससी परीक्षा नजिकिरहेका बेला विद्यार्थीलाई लक्षित गरी लोडसेडिङ घटाउन लागेको काफ्लेको भनाई छ।

चुहावट नियन्त्रणबाट बच्ने र कुलखानीलाई पीक आवरमा अलि बढी समय बढाएर लोडसेडिङ घटाउन लागेका हौं, प्राधिकरणका कार्यकारी निर्देशक मुकेशराज काफ्लेले भने, ४० देखि ५० मेगावाट विजुली भए दैनिक २ घण्टा

बाँकी ४ मा

'आफ्नो खुट्टामा उभिएर बाच्न सिकायो'

शेखर कार्की

लहान। जिल्ला सिरहा न.पा.वार्ड न.७ की सामाजिक परिचलक ज्योती कुमारी साहको संघर्षपूर्ण र अरुलाई पनि प्रेरणादायक जीवन कथा लेख्न गइरहेको छ। उनी साधारण परिवारमा जन्मेकी साह (हनुवाई) जातको चेेलीबेटी हुन्। उनको घरको आर्थिक अवस्था अति नै कमजोर भएपनि उनका बुवाले दुःख गरेर उनलाई २०५४ सालमा एस.एल.सी.उत्तीर्ण गराउनु भयो। उनी अरु पढ्न चाहिँन् त्यसै बीचमा उनको बुवाको निधन भयो तैपनि उनले टोसका नानीहरूलाई टिप्पुस पढाएर आई.ए.सम्मको अध्ययन पुरा गरिन्। त्यसपछि उनको प्रेम विवाह भएको रहेछ र उनको जीवन केही हदसम्म सुखमय बितिरहेको थियो। त्यसै क्रममा उनी एउटा छोराको आमा पनि बन्न सफल भइछन्।

विधिको विडम्बना पनि करती अचम्बको रहेछ, उनको जीवनमा एउटा ठूलो मुकम्प आएसँगै भयो, उनका श्रीमान् अचानक काल गतिले विलुप्त भयो र उनी यो संसारमा एक्लै भइन्। त्यसबेला उनले आफूलाई मर्नु भन्दा केही देखिन

छिन्, त्यतीबेला उनको लागि संसार अन्धकार थियो। र उनले मर्नका लागि विष समेत पिइछन् तर भाग्यले बाच्न सफल भइछन्। फेरी उनलाई सानो छोराको याद आएछ र उसको लागि भए पनि बाच्नु पर्छ जस्तो सोच आएछ। जीवन बाच्नका लागि र छोराको शिक्षाका लागि काम नगरी कसरी चल्न सक्छ र ? त्यसका लागि उनले कामको खोजी गर्न थालिन्। उनी रुदै भनिछन्, सर ! काम पाउँदै नपाउने पाइ हाले पनि विभिन्न विघ्नबाधाहरूको सामना गर्नुपर्ने रे उनले। तर एलजिसिडिपीको काम आफ्नै बलबुत्ता, योग्यता र श्रमताले पाएकोमा उनी खुशी छिन्। मधेसी समुदायको एउटा विधवा जो यदि बुझि भए चोक्सी र तरुनीमा विधवा हुन्छिन् भने वेस्था भनेर हेला गर्ने चलन रहेछ। यहाँसम्मकी बुढी आइमाईलाई दिसा समेत बुवाइ दिने गर्छन् र तरुनी विधवालाई हातखुट्टा बाधेर फोहर नालापानीमा हालेर कुट्ने गर्छन्। आँखा रसाउँदै उनले सुनाइन् यी सबै समस्याहरू पनि भोग्नु पर्ने रे उनले। तर पनि जीवन बाँच्न हार नमानी उनी

अगाडी बढिरहिन्। यसै क्रममा अनेक समस्याको बावजुद उनले छोराको शिक्षालाई निरन्तरता दिदै आफूले पनि बि.ए.पास गर्न सफल भएन्। यो उनको लागि जीवनको ठूलो उपलब्धि थियो।

हाल उनी यस एलजिसिडिपी कार्यक्रम अन्तर्गत लहान न.पा. वार्ड नं. ७ मा सामाजिक परिचालकको रूपमा काम गरिरहेकी छिन्। समाजकमा एउटा एकल महिलालाई पनि बाच्ने अधिकार छ, उसले पनि कर्म गर्न र अरु समान जीवन जीउन पाउनु पर्छ भन्ने उदाहरण उनी आफूबाट नै दिन चाहन्छिन्। उनी समाजको यस किसिमको रूढीवादी सोचलाई बदल्न चाहन्छिन्। उनको कार्यक्षेत्रमा उनी जस्ता पीडित महिलाहरूको न्यायका लागि आज उनी लडिरहेको छिन्।

समाजमा पीडित, असाहाय, एकल महिलालाई हक अधिकार दिलाउनु उनले आफ्नो पहिलो धर्म सम्झी, उनीहरूको दुखलाई आफ्नै दुख सम्झी ज्योती दिनरात काम गरिरहेकी छिन्। उनको कामलाई आजका दिनमा समुदायका अरु मानिसहरूले पनि साथ दिन थालेका छन्। हिजो आज उनलाई नासके, वनाम, राजनितिक दल, सबै क्षेत्रबाट सहयोग प्राप्त हुन थालेको छ। उनी खुसी हुदै भनिछन्: मुरी मुरी धन्यवाद छ। एलजिसिडिपी कार्यक्रमलाई बसले मलाई समाजमा सेवा गर्ने अवसर दियो, मलाई आफ्नो खुट्टामा उभिएर बाच्न सिकायो। उनी हिजोबाज अरुका लागि प्रेरणाको श्रोत भएकी छिन्। (तयार गर्ने: शेखर कार्की-नगर शासन विज्ञ, लहान नगरपालिका, सिरहा)

- **नगरपालिकाको गत आर्थिक बर्षको आय/व्यय विवरण (आन्तरिक बाहेक सबै कार्यक्रम)**

- **Some Exemplary Actions of Municipality:**

Lahan Municipality has been implementing numerous activities for improvements and modernization of Lahan City at the beginning. As following are some of the significant and exemplary actions initiated by Lahan Municipality.

- 1) Decelerated Plastic Ban City for Lahan Municipality with the proclamation of the charter of plastic ban on the event of World Environment Day on 2071/2/22 B.S.
- 2) Established of Waste Management Center in Ward no: 4 with the aim of making clean and green city of Lahan. To make more effective of waste management system, Municipality has recently purchased one set of Blackhol Lodar.
- 3) To support of Open Defecation Free (ODF) strategy of Government of Nepal, ODF has been decelerated by Municipality to three Wards; 11, 12 & 20 in this fiscal year. Strategy has been developed and implementing with the commitment of people as well as concerned stakeholders to proclaim ODF to the rest of wards by the end of this year.
- 4) “One House two Trees” strategy has been executing by the Municipality from this year to make green city of Lahan. With respect this, plantation works in the both side of main roads of Lahan including Mahendra highway has been accomplished with something like 3000 plants of Dhupi by adopting the EFLGP.
- 5) “Weekly Lahan Sarsafai Campaign” has just crossed 30 weeks successfully with the active participation of citizens’. The campaign initiated by the citizens without any donation and financial support from anybody however, it has constantly running successfully every week.
- 6) Prohibited to the use of DJ Machine to minimize sound pollution in city area from this year because sound pollution is one of the major problems of Lahan which is creating lots of

difficulties related to health in human life.. Thirty Street Solar Light also has connected at the area of Separetar Park of Lahan located the east-west National Lokhighway from Sahidchouk.

महिलाहरू

विकास निर्माणमा जुटे महिलाहरू

गोलबजार, २ असार। संघीय मामिला तथा स्थानीय विकास मन्त्रालय अन्तर्गत लहान नगरपालिकाको ११ वटा वडामा समग्र जन-उत्थान केन्द्र लहानद्वारा सञ्चालित स्थानीय शासन तथा सामुदायिक विकास कार्यक्रमसँग आवद्ध नागरिक सचेतना केन्द्रहरूले जिविकोपार्जनसँग सम्बन्धित सामुदायिक पूर्वाधार विकास निर्माण कार्यहरू शुरुवात गरेका छन्।

लहान नगरपालिकाको वडा

नम्बर १८ कोडिङ्ग टोल स्थित विपन्न समुदायमा संचालित नागरिक सचेतना केन्द्रले सामुदायिक पूर्वाधार विकास कार्यक्रम अन्तर्गत सामुदायिक कुखुरा पापलन गर्ने भएका छन्। उक्त कार्यक्रम अन्तर्गत प्राप्त ३ लाख १५ हजार रुपैयाँले सचेतना केन्द्रका महिलाहरूले कुखुरा पालनका लागि कुखुरा फर्म निर्माण गरिरहेका छन्। निर्माणाधीन अवस्थामा रहेको पोल्टे फर्मको निर्माण कार्य सम्पन्न भएपछि शुरुमा एक हजार कुखुराको चल्ता

राखेर सामुदायिक कुखुरा पालन कार्यक्रमको शुरुवात गर्ने योजना रहेको सचेतना केन्द्रको अध्यक्ष शान्ति सदायले बताइन्। उनले भनिन्, 'गरिब, दलित र विपन्न परिवारलाई व्यवसायका लागि लगानि र पूर्वाधारको लागि रकमको जोडो गर्न नसकिएपनि नागरिक सचेतना केन्द्रलाई सामुदायिक पूर्वाधार निर्माणका लागि आएको रकमले हामीलाई धेरै सहयोग भएको छ। यसबाट हामी महिलाहरूले सामुदायिक कुखुरा पालन गरेर आर्थिक आयआर्जन नमूना कार्य गर्ने छौं।'

वडा नम्बर १८ को सामाजिक परिचालक सगिता सुवेदीले सामुदायिक पूर्वाधार निर्माण कार्यक्रम अन्तर्गत पोल्टे फर्म निर्माणमा स्थानीय महिलाहरू ठस्ति भएर लागेको बताइन्। उनले भनिन्, 'आर्थिक क्षेत्रमा कमजोर मानिँदै आएको महिलाहरू एलजिसिडिपी अन्तर्गत पाएको

चुरे जोगा राष्ट्रपति

गोलबजार, २ असार। राष्ट्रपति डा. रामवरण यादवले चुरे क्षेत्रको संरक्षण गर्न स्थानीय समुदायलाई जुट्न आग्रह गरेको छ।

सिरहाको लहान नपा-१७ बौलपुरमा राष्ट्रपति चुरे तयई मधेश संरक्षण विकास समिति अन्तर्गत जिर्णोद्धार र स्तरोन्नति गरिएको देवीदह स्थलको बुधबार अवलोकन गर्दै स्थानीय पर्यटनको विकास गर्न पनि चुरे क्षेत्र जोगाउन आग्रह गरे।

अवलोकनको क्रममा राष्ट्रपति डा. यादवले प्रतापी राजा सल्लेहले शासन गरेको ठाउँ नजिकै रहेको देवीदहको संरक्षण र विकास गरी आन्तरिक पर्यटकसँग छिमेकी मुलुक भारतको सीमावर्ती क्षेत्रमा बसोवास गर्नेहरूलाई पनि पर्यटकको रूपमा ल्याउन सकिने भन्ने आयआर्जन समेत बढ्ने विश्वास व्यक्त गरे।

विकास समितिको करिब ७७ लाख रुपैयाँ आर्थिक सहयोगमा जिर्णोद्धार र मर्मत गरिएको

गोलबजार। संघीय मामिला तथा स्थानीय विकास मन्त्रालय अन्तर्गत लहान नगरपालिकाको ११ वटा वडामा समग्र जन-उत्थान केन्द्र लहानद्वारा सञ्चालित स्थानीय शासन तथा सामुदायिक विकास कार्यक्रमसँग आवद्ध नागरिक सचेतना केन्द्रहरूले जिविकोपार्जनसँग सम्बन्धित सामुदायिक पूर्वाधार विकास निर्माण कार्यहरू शुरुवात गरेका छन्।
